Warehouse Receiving & Landed Cost Entry SOP ? Chin Specialty Goods

SECTION 1: RECEIVING CONTAINERS & LCL PALLETS

1. Inspect ocean bills of lading against supplier pack lists before signing drayage interchange receipts.
2. Count master cartons by SKU code and record broken seal exceptions within 24 hours.

SECTION 2: UPDATING THE SPREADSHEET MODEL

3. Enter invoice totals in cell C2 (Ocean Freight) and C3 (Customs Broker Total).
4. Formulas in columns F through I dynamically distribute landed cost per item based on carton volume.
5. If gross margin falls below 65%, review wholesale multiplier before publishing retail catalog changes.
