# Vendor Onboarding Packet & Compliance Manual — Liza Facility Services

Subcontractor Onboarding, Insurance Verification & Operational Guidelines

## 1. CORPORATE ONBOARDING & MANDATORY COMPLIANCE

Liza Facility Services LLC requires all subcontracted maintenance teams and service vendors to maintain active compliance files on record prior to job site dispatch.

Mandatory Documentation: (a) Signed IRS Form W-9; (b) Certificate of Insurance (COI) verifying $1,000,000 per occurrence / $2,000,000 aggregate Commercial General Liability naming Liza Facility Services LLC as an additional insured; (c) Statutory Workers' Compensation coverage; (d) Direct Deposit ACH Authorization Agreement.

## 2. DISPATCH SLA & RESPONSE PROTOCOLS

- Priority / Emergency Work Orders: Immediate dispatch with on-site crew arrival within 120 minutes of electronic work order receipt.
- Routine Commercial Maintenance: 24 to 48 hours scheduled window across Tampa Bay commercial corridors.
- Facility Sign-In: Crews must scan on-site QR badges upon arrival and departure to log digital timecard timestamps.

## 3. BILLING SCHEDULE & NET-15 PAYMENT TERMS

Invoices submitted by Friday 5:00 PM EST with completed job sign-off sheets are processed on automated Net-15 terms via electronic ACH direct deposit.

## 4. OSHA COMPLIANCE & CLINICAL SAFETY STANDARDS

All technicians operating on healthcare and medical plaza properties must complete OSHA Bloodborne Pathogens standard 29 CFR 1910.1030 training, wear required personal protective equipment (PPE), and utilize EPA-registered disinfectants strictly according to manufacturer dwell times.
