Cruz Metro Freight - Capability Statement & Cold Outreach Preview (v1)

Asset-Based Freight Carrier Profile & Outbound Sequence | DFW Logistics Corridor

1. CORPORATE PROFILE & OPERATIONAL AUTHORITY

Cruz Metro Freight LLC is an asset-based regional freight carrier operating out of Dallas-Fort Worth, Texas.

USDOT #3918204 | MC #1488209 | Texas DMV #0094182 | Active Operating Authority since 2021.

Insurance: $1,000,000 Commercial Auto Liability | $100,000 Motor Truck Cargo (Great West Casualty).

2. ASSET FLEET & EQUIPMENT SPECIFICATIONS

- Two 26-foot Freightliner M2-106 Box Trucks: 10,000 lbs payload, 3,500-lb Maxon hydraulic tuck-under liftgates, 102-inch width, e-track cargo securing rails.

- Two Mercedes-Benz Sprinter Cargo Vans: High-roof, 3,850 lbs payload capacity, dedicated to critical parcel and hot-shot delivery.

- On-Board Equipment: Heavy-duty 5,500-lb hydraulic pallet jacks, heavy ratchet load-bars, and moving blankets standard on every truck.

3. VALUE PROPOSITION & PERFORMANCE BENCHMARKS

- 99.4% On-Time Delivery Metric across 1,840 completed metro runs in 2026.

- Direct dock dispatch without broker fees or middleman layers.

- 2 full hours of free dock detention included per stop to absorb warehouse staging delays.

- Real-time GPS tracking links and immediate electronic proof-of-delivery (e-POD) photos emailed upon delivery.

4. OUTREACH SEQUENCE TARGETING & VALUE PROPOSITIONS

- Sequence 1: Local industrial park shipping leads (focusing on Tuesday/Thursday open liftgate capacity).

- Sequence 2: Emergency same-day pallet recovery when brokers drop scheduled pickups.

- Sequence 3: Transparent flat metro zone rate card with no hidden fuel surcharge spikes.
