3. CUSTOMS COMPLIANCE & SECTION 301 TARIFF ADVISORY

Importers of home goods manufactured in China must evaluate Harmonized Tariff Schedule (HTS) Section 301 punitive tariff exclusions:

- Wood Products (HTS 4419 / 4420): Standard column-1 duty rate is 3.2% + Section 301 List 3 tariff (25.0%). Combined effective duty is 28.2%.

- Ceramic Stoneware (HTS 6912): Standard column-1 duty rate is 6.0% + Section 301 List 4A tariff (7.5%). Combined effective duty is 13.5%.

- Glass Barware (HTS 7013): Standard column-1 duty rate is 5.0% + Section 301 List 3 tariff (25.0%). Combined effective duty is 30.0%.

- Linen & Cotton Textiles (HTS 6302): Standard column-1 duty rate is 8.8% + Section 301 List 4A tariff (7.5%). Combined effective duty is 16.3%.

- Landed Cost Recommendation: Pacific Heritage Goods must budget for a blended 24.5% import tariff on FOB goods when calculating wholesale and Amazon FBA unit margins.
