EXECUTIVE OPERATIONS ONBOARDING SOP MANUAL (4 KEY ROLES)

InfiniAI Terminal Operations · Governance & People Operations · Version 2.0

ROLE 1: LEAD LOGISTICS DISPATCHER

Core Mandate: Direct regional terminal routing, manage driver escalations, and maintain 99.4% on-time dispatch SLAs.

- 30-Day Benchmark: Master terminal geofence configuration, complete SAP TMS manifest sync training, and manage 15 daily trailer check-ins independently.
- 60-Day Benchmark: Oversee multi-terminal cross-dock routing, reduce dock dwell exceptions by 15%, and conduct daily frontline driver shift standups.
- 90-Day Benchmark: Lead emergency storm/freight diversion protocols, audit carrier compliance logs, and train incoming associate dispatchers.

ROLE 2: CUSTOMER OPERATIONS ASSOCIATE

Core Mandate: Frontline terminal issue resolution, dispatcher Zendesk/Intercom triage, and SLA enforcement.

- 30-Day Benchmark: Achieve <15 minute first-response time on terminal support tickets, memorize standard operating workarounds for network drops.
- 60-Day Benchmark: Maintain >95% CSAT score, document weekly terminal recurring friction trends, and lead carrier onboarding webinars.
- 90-Day Benchmark: Conduct quarterly business reviews (QBRs) for Tier-2 carrier fleets, coordinate feature requests with the core engineering pod.

ROLE 3: BILLING & ACCOUNTS SPECIALIST

Core Mandate: Terminal software subscription billing, automated ACH reconciliation, and demurrage dispute tracking.

- 30-Day Benchmark: Run weekly billing cycles via Stripe/Paystack billing engines, audit failed payment dunning workflows, reconcile Net-15 carrier accounts.
- 60-Day Benchmark: Reduce days sales outstanding (DSO) to under 22 days, resolve carrier detention fee escrow disputes within 48 hours.
- 90-Day Benchmark: Automate monthly GAAP revenue recognition reporting and partner with external auditors for annual financial compliance.

ROLE 4: ENTERPRISE ACCOUNT EXECUTIVE

Core Mandate: Mid-market logistics terminal sales, 3PL discovery scoping calls, and pilot-to-annual contract conversion.

- 30-Day Benchmark: Qualify 30 inbound terminal leads using MEDDPICC framework, master interactive ROI demurrage calculator demo.

- 60-Day Benchmark: Advance 12 qualified terminal pilots into technical evaluation, compress sales cycle from 64 to under 40 days.
- 90-Day Benchmark: Close $450K in new annualized contract value (ACV), establish referral partnerships with 2 regional freight brokerages.
