Staff SOP ? Entering New SKUs & Updating Container Freight Rates

Step 1: Enter only the yellow input columns (A through E) when adding a new supplier SKU.
Step 2: Select the HTS category from the dropdown in Column F.
Step 3: Enter the total container invoice and total CBM in cells B2:B3 on the Summary tab.
Note: Columns G through K calculate landed cost, net margin, and 45-day reorder triggers.
